Re: Resubmittal of drawings for patent application number 10/645,171

Attached please find the drawings section for the above referenced patent. I have re-submitted them, with legends substituting for the text that the figures previously contained.

Thank-you

Eileen Chant

Re: Resubmittal of drawings for patent application number 10/645,171

Attached please find the revised drawings section for the above referenced patent. I have substituted the excessive text with legends as required.

Thank-you
